# Cottage Hospital, CHALFONT ST. PETER.

**T**HE Hospital is maintained  
by Voluntary Subscriptions.  
The Building and Land was  
the gift of the late J. N. Hibbert,  
Esq., and Mrs. Hibbert, of Chal-  
font Park, primarily for the poor  
of the Parishes of Chalfont St.  
Peter, Chalfont St. Giles and  
Gerrards Cross, and was opened  
by the Lord Bishop of the  
Diocese on the 19th June, 1871.

The building is vested in the  
Official Trustee of Charity Lands.

# Officials for 1930.

*(Appointed under the Charity Commission Scheme.)*

# Report of the Managing Committee.

The Managers wish to place on record their deep regret for the passing of Dr. Llewelyn-Jones. He had served on the Honorary Staff of the Hospital for nearly half of the twenty years that he practised in the District, and there are many who know from experience how ungrudgingly he gave of his time and skill to his Hospital patients. It was with the greatest reluctance that the Managers in 1926 accepted his decision to resign from the Staff.

THE Committee were exceedingly sorry when last autumn Sir Haldane Porter resigned the chairmanship of the Hospital owing to the fact that he was leaving the neighbourhood. Although he had held this position for eighteen months only, it was largely due to his courage and determination that part of the extension work was begun without further delay, and that the "deplorable conditions" which he found existing at the Hospital in 1928 are now a thing of the past.

The figures in the last Report gave the result of nine months' work only (the Hospital having been closed for three months for building operations), so this year we are throughout comparing figures with those of the 1928 Report.

On April 1st, 1929, we had 11 patients in Hospital; during the year we admitted 365 (as against 270 in 1928); 363 patients were discharged, leaving 13 in Hospital on April 1st, 1930. Just over one-third of the 365 admissions (*i.e.*, 128), were members of the Contributory Scheme, and there were 58 Private Patients (as against 32 in 1928). 269 patients were reported cured; 67 improved or relieved; 3 no improvement; 13 were transferred to other Hospitals; and there were 11 deaths. There were 204 operations (as against 227 in 1928). Of these, 83 were major, 6 fractures, 82 tonsils and adenoids, and 33 minor.

February was our busiest month with a daily patient average of 18. We reckon our number of available beds at 20, but on several days in February we rose to 22 patients.

These figures make us realise how great is our indebtedness to our Honorary Staff of Consultants and Medical Officers, who give their time and skill in such unstinted measure to serve the sick and suffering, and receive invaluable assistance from the Matron and Nursing Staff.

Contrary to expectations, we have continued to encounter many difficulties in keeping permanent Staff, and in consequence the salaries bill for temporary nurses and maids has been particularly heavy.

During the 58 years of its existence, our Hospital has probably never experienced one of greater interest and encouragement. The CONTRIBUTORY SCHEME was launched on April 1st, 1929, and has fully justified the hopes of its initiator and Honorary Secretary, Mr. G. F. Bridge, though he would be the first to acknowledge that the success of the Scheme has been chiefly due (1) to the hard work so efficiently and voluntarily carried out by the six District Secretaries and the fifty-two Collectors, and (2) to the willing response of 1,668 Contributors.

The LINEN LEAGUE, which was inaugurated from small beginnings last spring, when a few ladies met weekly in the Clinic Hut to mend the Hospital linen, has grown rapidly, chiefly through the indefatigable efforts of Mrs. Nicoll. The Committee wish to express their warm appreciation of the great help which the Hospital has already received from the League, a help which was specially in evidence when the fire at the Beaconsfield laundry last February seriously depleted the Hospital's store of linen. The League promptly came to the rescue, and within a very short time replaced all the lost articles.

The local Football world has also pledged itself to support the Hospital. On Easter Monday, 1929, the "Wasps" of Chalfont St. Giles at their annual match against Harrods collected £14 2s., and so qualified to name a bed in the Hospital, and in the late summer a Junior Charity Cup Competition was inaugurated. Mrs. W. A. Shaw, of Diss Park (whose interest in the Hospital is of long standing) and Sir Haldane Porter (our late Chairman), each presented a handsome Cup to be competed for by the Wednesday and Saturday Clubs; Mr. J. W. Sturgess and the Hillingdon House R.A.F. F.C. each presented a set of medals for the runners-up. As the finals have not yet been concluded, the financial results to the Hospital must be held over till our next Report.

The annual history of the Hospital's income is best told by the list of donations.

Alexandra Day, Pound Days, and the R.A.O.B. Parades are fine examples of team work. The Dances organised by the Gerrards Cross Traders and the Seer Green Women's Institute were particularly successful, and helped to fill the gap made by the omission of the Hospital Ball.

The Schools in the District have been most kind in helping us with collections at their various entertainments, and the Innisfree Gugnuncs did splendidly in raising £17 from their Garden Sale. The Women's Sections of the local British Legion Branches have done their share, Chalfont St. Peter having given a bed from part of the proceeds of their Fête last June, and Gerrards Cross having raised £14 for wireless equipment at a Garden Sale, kindly organised by Lady Kershaw at her house.

Mr. Fulcher has given us much valuable advice and help with our wireless installation, and also with the £14 just mentioned, has collected the money necessary to extend it throughout the new building. Mr. Beeson, with his usual kindness, has again kept our batteries charged free of cost.

Last, but by no means least, the Committee wish to thank most sincerely the many Collectors who year by year go round to ask for annual subscriptions. New houses continue to be built, others change hands, and it is largely through these Collectors that newcomers have their interest aroused in the Hospital and its needs, and that there is no falling off in our subscriptions, though we still hope to see them increase in volume every year.

## STATEMENT OF ACCOUNTS.

The all-in cost per patient day this year has been just over 11s., but that figure includes abnormal items for re-equipment of the Hospital, undertaken in connection with the Extension. Excluding this and other abnormal items the cost per patient day was a little over 10s.

On the revenue side patients' payments reached nearly £1,300 ; half of this was for private cases, and nearly one-quarter represents transfers, at the flat scale rate, for members of the Contributory Scheme. This scheme is the most noteworthy feature in the accounts ; the total collected was within measurable distance of £800, and but for the help received from it, over and above the flat rate payments for patients, the maintenance account of the Hospital would have shown a deficit.

The Extension Fund, after paying out over £1,800 shows a balance of £40, but against this is an outstanding liability of ten times as much to an anonymous friend who lent free of interest the wherewithal to pay pressing accounts. The expenditure of the Chalfont St. Peter District Nursing Association was, within a pound or two, the same as last year ; but the income fell by over £100. Fees for nursing were down by £40, and donations, entertainments, etc., by over £50. The Infant Welfare Account managed, as usual, nicely to square the two sides of the account, and carried over a small working balance.

## EXTENSION.

As mentioned in the last Report the portion of the Extension and Improvement Scheme authorised by the Managers was formally opened by Lord Cottesloe on April 13th, 1929, and has proved of immense benefit, not only to the patients, but to the Medical and Nursing Staff.

Since the inception of the Scheme in 1927 the receipts from all sources have amounted to £7,638, out of which £1,458 has been raised during the last year. In addition to this, there is a sum of £400, very kindly lent by an anonymous friend, free of interest, which has enabled the Committee to pay off some part of the contractors' accounts.

The final accounts for the work so far done amount to £8,400, leaving a deficit, including loan, of £762. Against this there is a small balance carried forward, and promises of about £100 yet to be redeemed. There is also a bequest of £100 from the late Mrs. Shelton Corbett. This leaves £562 to be raised to pay off the present expenditure.

As to the future, we have not yet completed the original Scheme, which we set out to do in 1927, for the simple reason that we are held up by lack of funds. The need for additional beds in two large wards was pressing then ;

ti is hardly necessary to add that that need is still more urgent now. **The Honorary Medical Staff, in a recent letter to the Managers, have very strongly emphasised this need of beds, and have asked that the original Scheme, giving a total of 30 beds, may be completed at the earliest possible moment.**

To do this, to pay off the existing debt, and to provide certain other most necessary requirements (*e.g.*, a water softener, a store room for the Linen League, a recreation room for the Nurses, fencing and gates, and the tidying of the grounds leading to and around the Hospital), a round sum is needed of £5,000.

The Committee are considering various methods of raising this amount. Mr. Binder has very kindly organised the "Greatest Pleasure Ballot," the first prize in which is a Morris Minor Saloon Car, with second and third prizes of £10 and £5. A leaflet, setting out the needs of the Hospital, is in course of preparation.

The Committee thank most gratefully all those who have in any way helped to raise the funds for the work so far undertaken, and they ask them not to relax their efforts. At the same time they know that there are still a large number of both old and new residents in the parishes served by the Hospital who have not yet given their mite ; they are also aware that the recent Budget has not made giving to good causes any easier, but they very earnestly appeal to all who have not yet helped to come forward, (not waiting to be asked, cajoled, or otherwise importuned), and to give of their own free will, making their local Hospital not only the first good cause in their hearts, but also on their charity list.

---

#### CHALFONT ST. PETER DISTRICT NURSING ASSOCIATION.

The District Nursing Association has carried on satisfactorily for the past year. The Inspectors' Reports are good, and the Committee hear nothing but appreciation of the Nurses' work. The private nursing has lessened, owing no doubt to the arrival of two private nurses, who have set up in the neighbourhood. There has been a change of Secretary. Miss Hibbert felt obliged to resign her post as Honorary Secretary at the end of 1929. Many thanks were conveyed to her for her past good work and interest. Mrs. Holmden, Borrans, Hill Rise, has been appointed in her place.

The Association is now the proud possessor of a " Morris Minor " for the use of the Nurses, and it will help enormously in long journeys and in night work.

The thanks of the Committee are due to the Collectors and to many others, who have given of their time and interest to help forward this excellent cause.

The list of visits paid during the year is as follows :—

Children—Attendance	...	...	1,086	Casual	...	...	...	381

### THE INFANT WELFARE CENTRE.

The work has gone on quietly and steadily this year, with no interruption from illness or other cause; and we feel that both at Chalfont St. Peter and Gerrards Cross Centres the opportunities for usefulness increase. The records show well over 2,000 attendances (April, 1929-1930) the great majority weighed by Mrs. Mund, who manages the scales with tireless patience, in spite of the eccentricities of the babies. Some few defeat her altogether, some enjoy it; and varieties of size may be judged when comparing one of  $8\frac{1}{4}$  lb. and one of  $17\frac{1}{2}$  lb. at the same age ( $3\frac{1}{2}$  months)—both doing well.

About half a dozen dental cases have been arranged for, helped and encouraged—and the same number of slight orthopaedic cases recommended to the Clinic at High Wycombe.

As to finance, we have this year been self-supporting for routine expenses (rent, cleaning, Nurse, etc.); £5 10s. from the mothers' weekly pence, after deducting the cost of teas; £12 10s. from small Jumble Sales for the mothers, and from the sale of one or two prams and playgrounds, which we are always glad to hear of. With the County Council 50 per cent. grant this made enough; but for dental help and for treats we are dependent on gifts, specially the annual Tennis Tournament.

The summer outing was to Littleworth Common, with tea and fruit in the attractive Parish Hall there; a lovely drive, hot but enjoyable. The Christmas Party took the form of a Magic Cave with attendant fairy and lucky dips, tea, balloons, and crackers. To each about 100 were invited.

The prize list for attendance marks through the winter is again a long one, with several "perfects." We are so glad when mothers will, at any rate, aim at the ideal of coming every week, and heartily congratulate those who have quite, or so very nearly, succeeded.

---

The Annual Meeting of Governors was held on Tuesday, April 29th, at 8 p.m. in the Memorial Hall, Chalfont St. Peter. Sir Selwyn Fremantle presided, and there were about fifty Governors present. Mrs. Ashley Cooper, President of the Linen League, very kindly gave a short account of the formation and work of the League.

## CONTRIBUTORY SCHEME.

---

### *FIRST REPORT, 1929-1930.*

#### Committee :

J. A. HORNE (*Chairman*).

\*H. FORTESCUE (Chalfont St. Peter).

\*H. W. LAUGHTON (Gerrards Cross).

\*H. S. GROOM (Chalfont St. Giles).

\*REV. J. W. STRATTON (Chalfont Common).

\*MISS JACKSON (Seer Green).

\*R. L. WILKINSON (Seer Green).

MRS. E. MORELAND.

MISS WATTS.

F. CLIFFORD HAWARD, M.R.C.S., L.R.C.P.

#### *Hon. Treasurer :*

HAROLD MORELAND, O.B.E., Cherrycroft, Gerrards Cross.

#### *Hon. Secretary :*

G. F. BRIDGE, M.A., Steeple, Chalfont St. Peter.

\*District Secretary.

THE Scheme was inaugurated on April 1st, 1929, and in the next three weeks about 1,186 persons joined. The numbers have increased steadily since, and the total on March 31st last was 1,668. An analysis of the membership will be found below.

The organisation is very simple. The district is divided into six areas, in each of which there is a District Secretary, who superintends the work, finding the collectors, receiving and recording the moneys collected, and passing them on to the Hon. Treasurer. There are now 52 collectors. The usual number of houses assigned to each is 30 to 40, but some collectors have more than this on their list, and a few additional volunteers would be useful. Most contributors pay monthly, but there are some cases in which a weekly call is necessary.

As a rule contributions are paid with perfect regularity, but there are a certain number of contributors who give their collectors unnecessary trouble by failing to pay at the right time. In future collectors are to have warning forms which they can leave at the houses of defaulters, notifying them that they are in arrears and calling their attention to the Rule about such cases. It is hoped that this will save our helpers some labour.

The Scheme is managed by a Sub-Committee appointed by the Managing Committee and consisting of four members of the Managing Committee, the District Secretaries, one representative of the Honorary Medical Staff, and one co-opted member. It has its own banking account, into which all moneys collected are paid. From this fund a payment of 3s. a day, or 1s. 6d. in the case of children, is made to the Hospital in respect of every patient who is a contributor. A similar payment, under certain specified conditions, is made to other hospitals where contributors are laid up. The balance is used for the purposes of the Hospital in such manner as the Managing Committee may direct. This year £150 has been paid into the Hospital current account, and £150 devoted to the reduction of debt.\*

The benefit to which every contributor has a right is a free bed at the Hospital in case of need, and the use of the theatre and anaesthetics in case of an operation. To these has been now added Massage and X-ray Treatment for in-patients.

It is believed that the bulk of persons who are eligible have joined the Scheme, but there are no doubt a considerable number who are still outside it, and there is still room therefore for an increase in numbers. In particular not very many domestic servants have joined. We are anxious to get more members from this class, and ladies who employ servants would do a great service to the Hospital by calling their attention to the Scheme. The District Secretary or the General Secretary will send the necessary papers.

The financial statement is appended. The Committee would like to emphasize three points.

- (1) The administrative expenses are insignificant.
- (2) The whole of the money collected, except £50 16s. 5d., has gone to benefit the Hospital. In connection with this, it may be noted that, though it is true that from the 128 patient-contributors whose fees were paid some fees would have been collected, not 3s. a day would have been secured in all cases, and moreover with a contributory scheme, payment is assured and forthcoming at once.
- (3) The number of contributors benefited—145—shows that the Scheme justifies its motto: "Help yourself and help the Hospital." About one-third of the in-patients during last year were members of the Contributory Scheme.

The Committee cannot conclude this Report without a word of hearty thanks to the collectors without whose steady and self-denying labours the success of the Scheme would have been impossible. It is hoped that the fine result of their efforts, as shown in the statement of accounts, will be some reward to them for the work that they have done.

\*A further £100 has since been allocated to the reduction of debt.

# Statement of Account for Year ending 31st March, 1930.

## Contributory Scheme ; Rules.

1. Scale of Weekly Contributions shall be as follows : 3d. for man, wife and children up to the age of 14. 2d. for individuals over 21, for widowers and widows and their children up to the age of 14. 1d. for young people aged 14-21.

2. The Scheme is confined to those whose income does not exceed £250 a year.

3. Payments may be made weekly, monthly or quarterly in advance.

4. Every contributor must have a printed card on which his payments must be recorded and initialled by the collector. The card may be kept by the collector or the contributor, but it must be brought or sent to the Hospital when benefit is claimed, and the contributor will be responsible for this being done.

5. Benefit shall be a free bed at the Hospital in all cases recommended for admission by a member of the Honorary Medical Staff. It includes fees for use of theatre and anaesthetics, and also X-ray treatment and Massage for in-patients.

6. A contributor who is not more than eight weeks in arrears shall be entitled to benefit on payment of arrears. A contributor more than eight weeks in arrears will be taken off the books ; should he wish to rejoin he will be able to do so only under the provisions of Rule 11.

7. Contributions shall be remitted during the period that a wage-earning contributor is in Hospital.

8. The benefits of the Scheme shall in no case include the forms of treatment for which the public authorities are responsible. Such forms of treatment include treatment for Tonsils and Adenoids in the case of children attending a public elementary school.

9. Contributors, who while absent from home are obliged by accident or sudden illness to enter a Hospital elsewhere in England, shall have their maintenance charges paid for them up to 3s. a day for four weeks, as a general rule.

10. The same payment for the same period shall be made if a contributor cannot be received at the local Hospital, or if he or she is recommended by a member of the Honorary Medical Staff to enter another Hospital as an in-patient for treatment which cannot be given at the local Hospital. Under no other circumstances shall any payment be made to a Hospital on behalf of a contributor.

11. Contributors shall have no claim for benefit till they have been members for three months, and twelve weekly payments have been made.

12. Newcomers to the District, already members of a Contributory Scheme, shall be entitled to benefit after the first payment to the present Scheme.

13. The decision of the Managing Committee of the Hospital on all doubtful points shall be final and binding on every Contributor.

### EXTRACT FROM THE RULES OF THE HOSPITAL.

No person suffering from chronic, contagious or infectious disease can be admitted, nor are maternity cases taken, except in very special circumstances.
